

Efficiencies Proposed and Identified by Individual Board Members

Items will be discussed at the March 3, 2009 Board Retreat. With full Board consent for each individual proposal, items may move to staff for feasibility.

Suggested Efficiency	Yes/ No
Privatization of 911	
Sheriff Enforcement of FOC Warrants	
Privatize Golf Course	
Increase Co-pays for Medicare Eligible Retirees	
Combine District and Circuit Court Administration	
Adjust Court Fines	
Metro Park System	
Facilities Consolidation	
A lot of programs in the department of Ageing and the health department seem like duplications of United Way programs; can we turn them over to the other agencies or combine resources with those agencies?
