Alzheimer's Support

Open to the Public

Crouch Senior Center

Wednesday, June 25

11 am to 12 pm

A person living with Alzheimer's or other dementia doesn't have to give up the activities that he or she loves.

Many activities can be modified to the person's ability. In addition to enhancing quality of life, activities can reduce behaviors like wandering or agitation.

Please join this "Open to the Public" Alzheimer's Education program at the Crouch Senior Center.
