## JACKSON COLLEGE MILLAGE PROPOSAL

This proposal will allow the college to restore its originally authorized charter millage rate of 1.33 mills on all property for security, infrastructure and cyber security.

Shall the limitation on the amount of taxes which may be assessed against all property within the community college district boundaries of Jackson College, Michigan, be increased by 0.1973 mill (\$0.1973 on each \$1,000 of taxable valuation), to be levied in perpetuity, to provide funds for security, infrastructure, and cyber security; the estimate of the revenue the college will collect if the millage is approved and levied in 2024 is approximately \$1,151,810 (this millage is to restore millage previously lost as a result of the reduction required by the Michigan Constitution of 1963)?

NAPOLEON COMMUNITY SCHOOLS  
BOND PROPOSAL

Shall Napoleon Community Schools, Jackson and Washtenaw Counties, Michigan, borrow the sum of not to exceed Seventeen Million Four Hundred Forty Thousand Dollars (\$17,440,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of:

erecting, furnishing and equipping additions to school buildings and structures; remodeling, furnishing and refurnishing and equipping and re-equipping school buildings and structures; acquiring, installing, equipping and re-equipping school buildings for instructional technology; and preparing, developing, improving and equipping playgrounds, athletic facilities and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2024 is 1.62 mills (\$1.62 on each \$1,000 of taxable valuation) for a 0 mill net increase over the prior year's levy. The maximum number of years the bonds of any series may be outstanding, exclusive of any refunding, is twenty-five (25) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 2.24 mills (\$2.24 on each \$1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is \$9,820,000. The total amount of qualified loans currently outstanding is \$0. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

JONESVILLE COMMUNITY SCHOOLS  
BOND PROPOSAL

Shall Jonesville Community Schools, Hillsdale and Jackson Counties, Michigan, borrow the sum of not to exceed Eleven Million Six Hundred Twenty-Five Thousand Dollars (\$11,625,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of:

remodeling, furnishing and refurnishing, and equipping and re-equipping school buildings; acquiring and installing instructional technology and instructional technology equipment for school buildings; erecting and equipping a concession/restroom/team room building and a restroom/ticket booth building; and preparing, developing, remodeling, improving, and equipping athletic fields and facilities, a playground, and sites?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2024, under current law, is 0 mill (\$0.00 on each \$1,000 of taxable valuation), for a 0 mill net increase over the prior year's levy.
