### **SPRING ARBOR TOWNSHIP FIRE PROTECTION MILLAGE RENEWAL**

Shall the previous voted increase in the tax limitation imposed under Article IX, Sec. 6 of the Michigan Constitution in Spring Arbor Township of originally 2.00 mills (\$2.00 per \$1,000 of taxable value), which has been reduced to 1.9788 mills (\$1.98 per \$1,000 of taxable value) by the required millage rollbacks, be renewed at and increased up to the original voted 2.00 mills (\$2.00 per \$1,000 of taxable value) and levied for six (6) years, 2025 through 2030 inclusive, for the purpose of continuing to provide funding for the Township's Fire Department operations and equipment, which will raise an estimated \$507,753.70 in 2025?

**PUBLIC SAFETY MILLAGE QUESTION**

For the purpose of constructing, equipping, and financing an addition, renovations, and site improvements to the Jackson County Jail, and for its ongoing operating expenses, shall the Constitutional limitation upon the total amount of taxes which may be assessed in one (1) year upon all property within the County of Jackson, Michigan be increased by up to 0.90 mills (\$0.90 per thousand dollars of state taxable valuation), for a period of twenty (20) years (2024-2043) inclusive? If approved and levied in full, this millage will raise an estimated \$5,230,000 in the first calendar year of the levy.

## **HANOVER-HORTON SCHOOL DISTRICT**

### **OPERATING MILLAGE PROPOSAL**

This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance. The total operating millage levied by the school district will not exceed 18 mills in any year.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hanover-Horton School District, Jackson and Hillsdale Counties, Michigan, be increased by 2 mills (\$2.00 on each \$1,000 of taxable valuation) for a period of 10 years, 2024 to 2033, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 0.7856 mill of the 2 mills is levied in 2024 is approximately \$66,418 (this millage is to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963 and will be levied only to the extent necessary to restore that reduction)?

**JACKSON PUBLIC SCHOOLS  
COUNTY OF JACKSON  
STATE OF MICHIGAN**

**REPLACEMENT OPERATING MILLAGE RENEWAL PROPOSAL**

*This proposal would replace and extend the authority of the School District to levy the statutory limit of 18 mills on all property, except principal residences and other property exempted by law which currently expires with the School District's 2025 tax levy and allow the School District to continue to levy the statutory limit of 18 mills in the event of future Headlee rollbacks of up to 2 mills. The authorization will allow the School District to continue to receive revenues at the full per pupil foundation allowance permitted by the State.*

Shall the limitation on the total amount of taxes which may be assessed against all property, except principal residences and other property exempted by law, situated within the Jackson Public Schools, County of Jackson, State of Michigan, be increased, in the amount of 20 mills with 18 mills being the maximum allowable levy (\$18.00 on each \$1,000 of taxable valuation), for a period of twenty (20) years, 2025 to 2044, inclusive with 20 mills being a replacement and renewal of authorized millage which will otherwise expire with the 2025 levy? This operating millage, if approved and levied, would provide estimated revenues to the School District of \$10,728,147 during the 2025 calendar year, to be used for general operating purposes.

JACKSON PUBLIC SCHOOLS

## **LITCHFIELD COMMUNITY SCHOOLS**

### **SINKING FUND MILLAGE RENEWAL PROPOSAL**

This proposal renews building and site sinking fund millage that expired with the 2023 tax levy to allow the school district to continue to levy building and site sinking fund millage previously approved by the electors.
