

# Jackson County SAFE Program

IN PARTNERSHIP WITH:

## WHAT IS THE SAFE PROGRAM?

The SAFE Program improves communication between Jackson County first responders and residents with special needs before emergencies occur.

## WHO SHOULD ENROLL?

Residents of Jackson County with disabilities or special needs, such as:

- Autism
- Alzheimer's Disease
- ADHD
- Autoimmune Disorders
- Down Syndrome
- Deaf/Blind
- Brain Injury
- Communication Disorders
- PTSD
- Mental Disabilities
- Diabetes
- Chronic Health Problems

## ➔ HOW DOES IT WORK?

When residents enroll, key details are entered into the dispatch system, and families place SAFE decals on their homes and vehicles.

During an emergency, first responders recognize the decal and approach with added care. The Sheriff's Office, EMS, Police, and Fire can access the family's information to help ensure a safe, positive response.
