The Child Care Days, as defined by one child in care for one day, is listed below: As an example, 5 children in care for 5 days would equate to 25 child care days. This is a formula used by the State of Michigan to define units of service per program.

## Strategic Plan Impact

### ✓ **Safe Community**

Directly correlates by keeping juveniles that are a threat to the safety of the community securely detained. Also works at providing services to preventive measures and to cut down on recidivism.

### ✓ **Healthy Community**

Through cooperation with the health department, Center for Family Health, Intergro, LifeWays and the mobile dental clinic, services are provided to the youth detained at the Youth Center. In most cases youth needs and services are usually not addressed while they are out in the community. More often than not when the youth return to the community they are in an overall better healthy condition than when they were admitted into the facility.

### ✓ **Education**

In an effort to remain current with educational technology, smart boards are in every classroom; students have access to iPads to assist with their educational learning as well as earn additional credit through E20/20 online classes. Average reading level improvement for Detention was 2.1 grade levels over the course of 6 months. Math improved 1.12 grade levels during the same duration.

# Youth Center

## Accomplishments

- ✓ Upgraded Audio and Video monitoring for better safety and security
- ✓ Partnership with Center for Family Health to provide health services for 263 medical issues
- ✓ Purchased 20 iPads to enhance the learning experience and additional credit opportunities for Youth Center residents
- ✓ Partnership with Family Services and Children’s Aid to provide Drug Education Classes for Detention Residents
- ✓ Partnership with Allegiance Health to provide Drug treatment for Residential Treatment Residents
- ✓ Successfully transitioned leadership and several other key staff positions

# Youth In-Home Detention

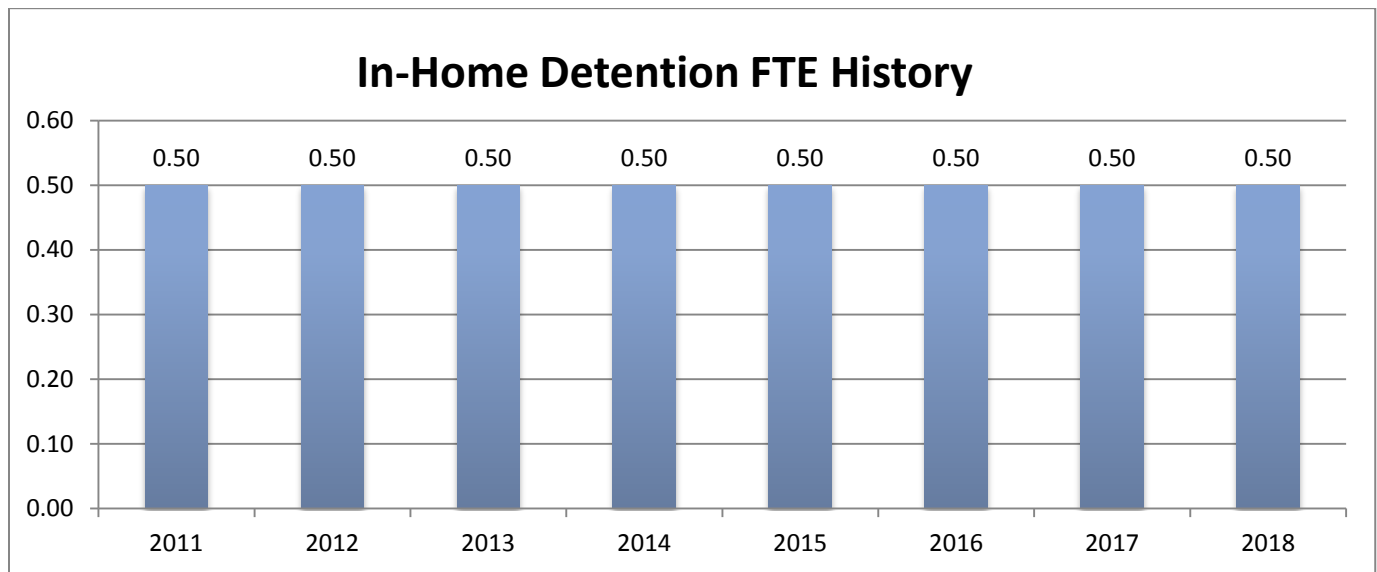

## Strategic Plan Impact

✓ **Safe Community**

The In-Home Detention Program is used for Delinquent Youths who have been released from Youth Center Detention or Treatment for a trial period, or where they have been sentenced to service Detention time, and that is being held in abeyance. Children who are put on In-Home Detention are strictly monitored by the Court through home visits, phone contact, and tether if ordered by the Judge. The program cost is much less than Out of Home or State Placement options. The program expenses are reimbursed at 50% thru the Child Care Fund.

# Intensive Probation

---

## Strategic Plan Impact

✓ **Safe Community**

The Intensive Probation Officer is on call 24 hours a day to manage a case load of up to 12 juvenile offenders, who are moderate to high risk of being detained or placed in out of home care which is a much higher cost. The Juvenile Intensive Probation Officer is one of the required probation positions under the Child Care Fund. It continues to be extremely helpful having an intensive probation officer who is on call to help manage up to 12 youth that were in imminent probability of being detained. This program is directly geared at keeping these at risk children at home, and not in out of home placement, helping to reduce the Child Care Fund costs. The program expenses are reimbursed at 50% thru the Child Care Fund.
