

## Ramps

### **disAbility Connections**

**782-6054**

409 Linden Ave.

Jackson, MI 49203

Service: builds ramps for Jackson residents with disabilities, as weather/season permits, generally April through October.

Eligibility: Jackson resident, disabled diagnosis, and must complete application, usually in January for upcoming construction season. Must provide proof of home ownership (copy of deed or mortgage and tax bill) or have history of long term lease with permission of landowner. Must provide proof of monthly income.

Fees: clients pay portion of material costs (usually 25%), and disAbility Connections funds rest of materials. Labor donated by Rotary members and other volunteers. **Contact: Lora Bigcraft**

### **Private Pay Options:**

#### **CareLinc**

**789-9257**

606 E Michigan Ave

Jackson, MI 49202

Service: Private supplier for durable medical equipment and aluminum ramps. Ramps are suitable for permanent or temporary use, and available **to rent** or purchase. Ramps may be delivered even in winter (unlike wooden ramps), ready to use. View ramp options at [www.ezaccess.com](http://www.ezaccess.com)

Fees: clients or sponsoring agencies must pay for *all* materials and labor, as this is a private contractor, not a charitable organization. Rent fee is **\$10 per foot** per month.

#### **The Grab-Bar Pro-Owner Randal Stockard**

**784-2994**

2720 Brookside Blvd.

Jackson, MI 49203

Service: private contractor who constructs and installs wooden ramps in the Jackson area. Modular style allows for quick installation. Licensed contractor, adheres to state ramp codes (such as graspable handrails), and compliant with ADA guidelines. Also does walk-in tub conversions, roll-in showers, and door modifications.

Fees: clients or sponsoring agencies must pay for *all* materials and labor, as this is a private contractor, not a charitable organization.
