

# Jackson County ADMINISTRATOR/CONTROLLER

Michael R. Overton, Administrator/Controller

March 17, 2020

FOR IMMEDIATE RELEASE

Beginning March 18, 2020 until March 31, 2020, several Jackson County buildings will be closed to the public. However, county provided services will continue. We encourage business to be conducted via online, phone, email and if necessary, scheduled appointments. This effort is being taken to mitigate the transmission and risks relating to COVID-19. We encourage you to visit the various County Offices and Departments on our website at [www.mijackson.org](http://www.mijackson.org). Please see the list at the end of this release for contact information for specific buildings/departments affected by this closure.

Additionally, non-essential meetings in county spaces are suspended. Please follow-up with meeting organizers to determine meeting details as meetings may be continued in an online/telephone format. Many services provided by the affected departments can be accomplished online, by phone, or email. Departments will remain staffed during regular business hours. Our goal is to make these necessary changes with the least amount of disruption to services.

Please note: the Jackson County Board of Commissioners will be holding their regularly scheduled March 17, 2020 meeting at 7 p.m. All Board of Commissioner meetings are available on YouTube and via live stream. Live streaming is available at: <https://www.mijackson.org/822/MyJacksonStream>.
